| Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| <b>What is the overall <a href="#">deductible</a>?</b>                                | <b>\$4,000/ person</b><br><b>\$8,000/ family</b>  | Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this plan begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .  |
| <b>Are there services covered before you meet your <a href="#">deductible</a>?</b>    | Yes, In-network preventive care, home health care, skilled nursing, hospice and prescription drugs  | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>   |
| <b>Are there other <a href="#">deductibles</a> for specific services?</b>             | <b>No</b>   | You don't have to meet deductibles for specific services.   |
| <b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b> | For network providers <b>\$4,000</b> person/ <b>\$8,000</b> family for medical expenses; <b>\$7,350</b> person/ <b>\$14,700</b> family for medical and RX expenses combined. For out-of-network providers <b>\$8,000</b> person/ <b>\$16,000</b> family for medical and Rx expenses combined. | The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.   |
| <b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>               | Premiums, balance-billed charges, pre-authorization penalties, charges over maximum allowed, services plan doesn't cover, cost of brand name drug in excess of generic drug cost  | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>   |
| <b>Will you pay less if you use a <a href="#">network provider</a>?</b>               | Yes. See <a href="http://www.anthem.com">www.anthem.com</a> or call 1-877-380-0193 for a list of network providers.   | This <a href="#">plan</a> uses a provider <a href="#">network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services. |
| <b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>    | No  | You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a>  |

All [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
