Important Questions	Answers	Why This Matters:
What is the overall deductible?	**$0**	See the common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	Yes. Covered services are not subject to a deductible.	
Are there other deductibles for specific services?	**No**	You don't have to meet the deductible for specific services.
What is the out-of-pocket limit for this plan?	**$3,000** person/**$6,000** family for medical expenses; **$7,350** per person/**$14,700** family for medical and RX expenses combined.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limit until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billed charges, pre-authorization penalties, charges over maximum allowed amount, products and services plan doesn't cover, cost of brand name drug in excess of generic drug cost	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider?	Yes. See www.anthem.com or call 1-877-380-0193 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No	You can see the specialist you choose without a referral .

All **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
