

SW369 – Commercial Lender

Would be open to positions in the warehouse lending industry since that is where I have experience, but looking to get into commercial lending, potentially agricultural. I'm not sure what role that might be, but I am looking to expand my experience.

- Young professional with two plus years of experience as a risk analyst in the warehouse lending business.
- Experienced in reviewing and summarizing financial data.
- Experienced in Excel, and most other office products.
- CRM user and administrative experience.
- Presentation, analytical, and organizational skills.
- Take efficient approach to completing tasks, striving to streamline business processes.
- Excellent team player with leadership skills.
