

President / Chief Credit Officer –

A community bank in South Georgia has a position available for President / Chief Credit Officer.

The President / Chief Credit Officer will serve as a member of the Bank's senior management team. This position is responsible for managing the credit functions of the bank (credit quality and loan policy). Other responsibilities include oversight of, and reporting regarding, the financial position of the bank's loan portfolio.

You will represent the Bank to regulatory agencies, other financial organizations, trade associations and other groups or events as necessary and may serve on various committees.

Interested candidates should forward resumes to bbrannen@gabankers.com referencing HW3722 in the subject line.
