

INTERACTIVE TELLER ZEBULON

United Bank is a growing 112 year old \$1.3 billion Community Bank that proudly provides Signature Service to our customers in 18 locations in 11 counties throughout Middle Georgia.

Job Summary (Full-Time & Part-Time positions available)

Handles all phases of teller transactions associated with checking, savings and various type payments (loan, credit card, utility, etc) initiated from the Interactive Teller Machine. Follows teller operating policies, assesses risk of presented transactions, and takes steps to minimize loss in ITM transactions. Provides quality customer service while promoting the bank's services. Serves as ambassador for alternative delivery channels. **2 positions available.** Women and Minorities are encouraged to apply.

Full-Time: 2:45pm - 11:00pm, rotating days and will work every other weekend

Part-Time: 4:00pm – 11:00pm, rotating days and will work some weekends.

Job Functions

- Handles all phases of teller transactions including but not limited to checking, savings, loans and credit cards. Accepts cash and checks for deposit, cashes checks and savings withdrawals within designated limit, and escalates to others when applicable.
- Verifies endorsements as required by teller operational policies.
- Reports suspicious activity through proper channels.
- Follows policies and procedures set forth by the bank. Demonstrates solid understanding of fraud and other risks associated with ITM transactions.
- Provides high level of quality customer service according to Signature Service guidelines.
- Complies with all Federal and State banking laws and related regulations, to include but not limited to the Bank Secrecy Act.
- Other duties may be assigned.

Job Requirements

- Display a professional demeanor with a personality that connects with customers.
- Possess interpersonal communication skills particularly effective in a video channel.
- Knowledge of bank operations, bank products and services.
- Possess ability to ensure compliance with established bank policies and procedures.
- Possess high analytical skills to solve a wide variety of practical and customer service problems in an unsupervised setting.
- Ability to assess risk, exercise discretion and handle sensitive and confidential issues.
- Possess ability to perform within a complex, multi-functional technical environment; demonstrate the ability to process and complete teller transactions in a non-traditional teller environment while offering Signature Service that promotes ongoing ITM usage.
