Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$0	See the common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible ?	Yes.	This plan covers services without a deductible , but a copayment or coinsurance may apply.
Are there other deductibles for specific services?	No	You don't have to meet the deductible for specific services.
What is the out-of-pocket limit for this plan ?	\$3,000 person/\$6,000 family for medical expenses; \$7,350 per person/\$14,700 family for medical and RX expenses combined.	The out-of-pocket limit is the most you could pay in a year for covered services. What is not included in the out-of-pocket limit ? Will you pay less if you use a network provider ?	Yes. See www.anthem.com or call 1-877-380-0193 for a list of network providers.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No	You can see the specialist you choose without a referral .
